there is in life is forfeited when health goes. Pay attention to early symptoms and write to Mrs. Pinkham, at Lynn, Mass., for advice.

Mrs. Evelyn Wood, 518 Fulton Street, Peorla, III., writes:

"I wish to say to my suffering sisters that if they want to be free from those dreadful diseases with which women are so apt to be afflicted, take Mrs. Pinkham's Vegetable Compound. I suffered for four years. My troubles were leucorrhœa and irregular menstruation. The menses appeared too often, and lasted toolong. I became very poor, looked badly, had no appetite. I felt as though death would be a relief. My friends advised me to take more outof-door exercise, but hardly realized that I was too weak to go out. I resolved to try Mrs. Pinkham's medicines, and after taking several bottles of Compound, also used the Liver Pills and Sanative Wash, I can truly say I am enjoying a new life. Menses have become regular, and last the proper length of time. I feel better than I have for ten years. I praise your medicine to all my friends. If any one would like to write to me in regard to your Vegetable Compound, and what ihas done for me, I will gladly answer their letter."

Mrs. S: Barnhart, New

Castle, Pa., writes: "DEAR MRS. PINKHAM: I intended to have written to you before, but since my recovery I have been very busy. I had been sick ever since my marriage, seven years ago; have given birth to seven children, and had two miscarriages. I had falling of womb. leucorrhœa, pains in back and legs; dyspepsia and a nervous trembling of the stomach. Now I have none of these troubles and can enjoy my life. Lydla E. Pinkham's Vegetable Compound has worked wonders for me."

Mrs. Bradish's Happy Letter.

"Dear Mrs. Pinkham-About two years ago I began to run down and soon became almost a wreck. I lost my appetite and began to lose flesh; my blood was impoverished and I had to leave our store. The doctor gave me a little tonic. but I steadily grew worse and consulted another doctor. He helped me in some ways, but my headaches continued, and I began to have night sweats and my rest was so disturbed that I would have hysteria and would cry and worry over business matters and my poor health. Finally, husband took me South, but with no benefit. This was a year ago; no one can ever know what a winter of misery I spent. Would bloat after eating and was troubled with palpitation of heart and whites. Having read by happy chance of your medicine, I bought it and wrote for your advice, and before having finished the first bottle of Lydia E. Pinkham's Vegetable Compound, the hysterics nearly stopped and I slept soundly. I used seven or eight bottles with such benefit that I am as healthy as I can ever remember of being. I shall never cease to sound your praises."-Mrs. E. fl. Bradish, 179 Dix Av., Detroit, flich.
